

Dear _____,

The State Highway and Transportation Emloyees Association of Missouri was organized in 1950 as a service organization to promote the general welfare of all employees, encourage the highest standards of employee conduct, and render the most effective service to the people of Missouri.

As one of 65,000 individuals employed by the State of Missouri, I am seeking your support as my state senator/representative in _____ county to assist us as we endeavor to increase the existing deferred compensation contribution from \$25.00 to \$75.00. **HB1229** allowed for up to a \$75.00 match, but for the last nine years only \$25.00 has been budgeted. With the rising cost of living as a future retiree, it is my goal and the goal of **T.E.A.M.** to make every attempt to save and prepare for a more comfortable future and secured retirement.

Please help us, as we secure better futures for hard working Missourians.

Sincerely
Your Constituent
