

The Transportation Employees Association of Missouri

Central Chapter Newsletter

WHAT'S YOUR ASSOCIATION UP TO?

In August we held our Annual General Assembly meeting and as I mentioned in our last newsletter, the Board members of all the Chapters agreed that we would pursue an increase in the state match portion of our Deferred Compensation Plan.

To begin our campaign we sent out a flyer to be posted in all buildings to generate discussion and interest. Now it's time to move on to our next step which is contacting our legislatures that this is something we are interested in and ask them for their support.

Here's where we need your help

Enclosed you will find a post card that we ask you send to your state Senator and Representative. Since it would be such an overwhelming job for us to fill out each card for you we

are asking that you do that for us. If you go to our Website (www.moshea.org) there is a link that will allow you to enter your zip code to locate your senator and representative. Complete the card and send before the end of the year.

The more of these that are sent the bigger the message we are sending, so encourage your fellow co-workers to join us in this effort. If more postcards are needed you can print one from our website.

Thank you for getting involved in your future and preparing for your retirement years.

The second issue we need your help with is providing us with

your beneficiary information for the \$1000.00 accidental life insurance we provide to all Association members. If an Association member loses his/her life while employed with MoDot we will pay \$1000.00 to the beneficiary you designate. Please complete the enclosed beneficiary information and return to us in the enclosed self-addressed stamped envelope so our files are current.

Hope your Holidays are filled with family, friends and fun. Be safe.

Duane Kliethermes

Central Chapter President

ASSOCIATION GIVE-A-WAY INFORMATION

The winners of our quarterly \$50.00 give-a-way for the third quarter of 2007 was William Lockwood from the Central Office membership and Farand Lutjen from the District 5 membership. We will do another drawing toward the end of December which will be for \$250.00 to a member from each membership pool. Must be a member to be eligible so encourage your co-workers to join. Numbers speak loudly at the capital when it comes to getting legislation passed.

VISIT OUR WEBSITE AT WWW.MOSHEA.ORG FOR ASSOCIATION RELATED INFORMATION
